

SUPPORT STAFF DAY

23rd March 2017

“You can’t build a great building on a weak foundation. You must have a solid foundation if you’re going to build a superstructure.”

The support staff is, undoubtedly, one of the solid pillars of the superstructure of The Millennium School, Dubai. Many of our students have a special bond with the support staff. Thus, it is only befitting to appreciate their selfless efforts which culminated into the concept of a special day for them.

The Support Staff Day was thus celebrated on 23rd March 2017 and on this day, students and teachers collected gifts that were distributed among the support staff. The support staff were also given a platform to showcase many of their hidden talents such as music, dance, acting and fashion show. The Student Council is proud to state that the contributions made were significant. Not only does this foster a sense of belonging and recognition among the support staff but also cultivates empathy and a sense of giving among the students.

We owe the success of this event to the generous contributions made by our sponsors, parents, and students. Watching the faces of our support staff light up with happiness filled our hearts with a great sense of accomplishment and satisfaction for. In this Year of Giving we are happy to be able to give back in little ways that will collectively make a big difference.
