

Teacher	Day	Grade	ASA - Tri 2	Description	Location
Eve Monroig-Lattimore	Mon	KG2	Scratch Junior	A time for students to practice code with the Scratch JR app. iPads required.	G14
Michelle Bresloff	Mon	KG2	Playdough	Our young creative minds will improve their fine motor skills by experimenting with playdough!	G09
Sima Malik	Sun	KG2	Building & Blocks	Students will be presented with problems and situations with varying difficulties and they will put engineering skills and creativity in action as they problem solve. The children will be learning how to carry out the engineering process to plan, design and build a solution to a problem.	G10
Jessica Leitner	Sun	KG2	Go Noodle	Students will get the opportunity to "get their wiggles out" at the end of the day through a range of activities from GoNoodle. Students will be able to practice their gross motor skills such as balance, coordination, and strength through dancing, stretching, etc.	G12
Priya Noronha Kumar	Wed	KG2	Music & Movement	Students will have the opportunity to explore music and dance through go noodle dance songs and just dance movements. Students will try to memorise dance steps and we might attempt to learn a dance routine. The idea is to have fun after a long day at school!	G07
Clare Hibbard	Sun	Gr 1	Sports For Fun	Students will build on their gross motor skills and learn to play sports/games through cooperation and team work.	Covered Area above ES Cafeteria
Meagan McClure	Mon	Gr 1-2	Art for Kids	Students will follow directions to create drawings, or will be given different drawings which they can colour and use to expand their ideas, as well as techniques.	G27
Morgan Anders	Sun	Gr 1-2	Yoga	Students will practice mindfulness and self control through entertaining yoga sessions.	G13
Hayley Albright	Mon	Gr 1-2	Mindful Coloring	Students will focus on how to choose and apply colour in a design to bring awareness to the present moment. They will learn that this process is similar to meditation, where they let go of any thoughts about tomorrow or yesterday, or what they are going to do when they finish.	G26
Nahed Hussein	Mon	Gr 1-2	Arabic reading	Students will reinforce their learning by reading activities.	F52
Eugenia Tenorio Starr	Sun	Gr 1-2	PS Yearbook	Students will create clip art and writing for our Yearbook 2018-2019. We will use art materials and iPads! Join us and become a graphic designer!	G05
Hafsa Abdo	Sun	Gr 1-2	Quran Recitation & Stories	Students will work towards memorization and recitation of Quranic Surahs. Discussions and explanations of Quranic Stories will take place.	F50

Stephanie Gierl	Wed	Gr 1-2	Book Club & Craft	We will read and explore a variety of quality children's literature, followed by a corresponding handcraft activity.	G30
Veronica Arango	Mon	Gr 1-2	Spanish Club	Students will have the chance to learn basic Spanish through songs and fun games!	G25
Gesa Tschumperlin	Mon	Gr 2	Gardening	Students will design, landscape, plan and create a garden.	G40 as the assembly point, Camp Calm
Chelsie Bakeman	Mon	Gr 3	Book Club	Do you want to share your love of reading with others? In book club, students will read fiction novels in small peer groups and have meaningful discussions based on the text.	F31
Beth Swartz	Sun	Gr 3	ES Video News Club	This Club is for grade 3 students interested in working in teams to write, interview, film, edit, and share informative and inspirational stories about what is going on in the elementary school.	F57
Lynn Terman	Wed	Gr 3	Movie Making	Learn how to make a movie, from conception to final production. You will learn the art of script writing, story boarding and more. In the end, you will write, edit, score and produce a movie about DAA.	F33
Surbhi Sachdev	Mon	Gr 3-4	Go Noodle	Students will get the opportunity to "get their wiggles out" at the end of the day through a range of activities from GoNoodle. Students will be able to practice their gross motor skills such as balance, coordination, and strength through dancing, stretching, etc.	F29
Bailey Fenwick	Mon	Gr 3-5	Robotics	Students will have the opportunity to practice their computational thinking, coding, and building skills with various robotics resources appropriate for grades 3-5.	F27
Kelsey Keilback	Mon	Gr 3-5	Creative Writing Club	This club is for students who are interested in improving their creative writing skills in a fun and positive environment. We will study various authors and genres, create our own writing pieces and share with each other!	F60
Elizabeth Windsor	Wed	Gr 4	Cup Stacking	Cup stacking is an individual and team sport that builds hand-eye coordination. Children stack the cups up in specific formations and pull the cups down following set rules.	Covered Area above ES Cafeteria
Sarah Shannon	Mon	Gr 4-5	Sketchnoting	Students will create personal sketchnotes from a range of texts and multimedia resources with the goals of: honoring thinking through choice, and supporting increased memory and focus.	F49
HS Student Aadiya Pokhriyal and William Hickey	Mon	Gr 4-5	Badminton	Students will have the opportunity to play and practice the skills of badminton! Our own HS badminton team players will be teaching technique and rules to our students.	ES Gym

Nada Hassan	Mon	Gr 4-5	Creative Arabic Videos	Students will create fun arabic films to be used to educate others about the Arabic language and culture. Final products will be posted on the DAA Arabic website.	F35
Megan McKellar	Sun	Gr 4-5	Digital Badging	Do you want to create a badge for an app that others can earn? Do you want to create tutorials to teach how to use that app? If you're creative and innovative, and you like technology, then Digital Badging is the ASA for you!	F35
Maya Fernandez (HS) and HS Students	Sun	Gr 4-5	STEM	STEM is an activity where students in grades 4 and 5 will learn about topics related to Science, Technology, Engineering and Mathematics. We will plan fun activities for the students to develop an interest in the STEM subjects, develop skills and work on diverse ways of approaching challenging problems.	F49
Nailah Stamp	Sun	Gr 4-5	Stop Motion Animation	Students will use the Stop Motion App along with their own creativity to make their own Stop Motion videos. iPads will be needed for this activity.	F54
Omkalssom Wissi	Sun	Gr 4-5	Quran Recitation & Stories	Students will work towards memorization and recitation of Quranic Surahs. Discussions and explanations of Quranic Stories will take place.	F52
Teresa Novak and Maritza Franck	Sun	Gr 4-5	ES School Choir	Students in this ASA will eventually form our ES Choir. They will perform a variety of music, and will focus on being the best performance ensemble that they can be. Choir is fun, but requires a high level of commitment from students, and must demonstrate appropriate behavior and attention. Join ES Choir for lots of fun, and lots of reward for hard work well done!	F40 Music Room
Amany Abdel Mageed	Wed	Gr 4-5	Arabic Club	A wide range of activities to introduce Arabic culture and traditions, through the arts such as painting and music.	F52
HS Students	Wed	Gr 4-5	Creative Writing Club	Creative Mindz is a great learning and fun filled activity for you to engage in writing short stories, poems, comics, picture books...anything that is creative! You will get a chance to work with each other by sharing ideas and broaden your thinking levels. You will also have the chance to work with a young published author who will guide you in the activity.	F35
Shaymaa Elsherbeny	Wed	Gr 4-5	Innovative Arabic Projects	Students will create media based Arabic projects by using technology and innovation.	F50
