Dear Parents,

- Sub: (a) Arabic  
(b) Islamic Education / Moral Science  
(c) Second Language

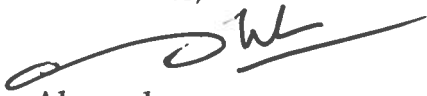

From Grade I, your ward will be introduced to the study of Arabic as a compulsory subject. All Muslim students will study Islamic Education and others will attend Moral Instruction classes.

He / She will also be required to study a Second Language which will be the choice at the Board Examination all students appear for at the end of High School (Std. X).

**Please give careful thought before you tick your choice for the language option** as it is not in the interest of your child for a sudden mid or end of year change of Second Language.

Please fill in the acknowledgement slip below and return to the Class Teacher by Thursday, 12/01/2017. **There will not be any change in the Second Language once selected. The sections for Grade 1 for the next academic year will be allotted according to the language selected.**

With Best Wishes,

  
**Asha Alexander**
