

Dear Parent,

The Grade 1 Department is proud to present its Annual Concert 'The Magic Mirror of Health' on 5th March, 2017. It offers an opportunity for young children to showcase their exceptional talents. We would love to engage all our students in some part or the other in the upcoming concert. The selection of the characters will be done by the teachers and the roles will be decided according to the ability of the students.

Costumes for the students will be designed based on their individual roles in the concert. The cost of costumes, make up, accessories and props will be AED 125/-. The money needs to be submitted along with the filled in acknowledgement slip to the class teacher enclosed in a sealed and labelled envelope latest by 19th January 2017. Your prompt response will help us in timely arrangement of the costumes and other requirements for the concert.

Please note that expression of interest for participation in the Concert after 19th January will not be entertained.

Thanks and regards,

 Asha Alexander
 Principal
