

Dear Parents,

Sub: ACCOLADES AND AWARDS IN SPORTS

As we come to the end of the academic year I would like to place on record all our achievements in Sports in the year 2016-2017.

This has been a particularly fulfilling year when much of the hard work put in by our teachers and students have borne fruit. For three years our Football and Cricket coaches worked diligently and untiringly with our students, identifying talent, training them and nurturing their potential and the time has now come for our young talent to be celebrated in this field because they have consistently out-performed all other schools in Dubai.

| Event | Position |
|--|------------------------------------|
| KGS SOCCER FEST SEASON-3 | WINNER – UNDER 8 GIRLS |
| | WINNER – UNDER 10 BOYS |
| | RUNNERS UP – UNDER 10 GIRLS |
| INDIAN HIGH SCHOOL MINI SPORTS FUNTASIA | WINNER- UNDER 10 BOYS FOOTBALL |
| | WINNER UNDER 10 GIRLS FOOTBALL |
| | WINNER UNDER 10 BOYS CRICKET |
| KGS CRICKET CUP 2016-2017 | WINNER |
| GULF CUP CRICKET | WINNER – UNDER 9 |
| | WINNER – UNDER 11 |
| INTER SCHOOL SUPER CUP: CF ACADEMY DUBAI | WINNER – UNDER 8 BOYS FOOTBALL |
| | RUNNERS UP- UNDER 10 BOYS FOOTBALL |

Our student Zehal Shibu has been selected to travel to Barcelona to attend an International Tournament with FCBEscola Soccer School Dubai between 9th and 13th April, 2017.

In chess we saw our young star Arueran Raghuraman showing his acumen and prowess by winning SILVER in the IHS MINI SPORTS FUNTASIA

We have had a few successes in badminton where we won the bronze at the IHS Mini Sports Funtasia and we will continue to work on this to ensure that we reach the pinnacle in this field as well.

We hope to see more students excelling in Skating, Basketball and Karate in the coming year.

We have introduced Yoga and Zumba in the end of year break to give your children an opportunity to discover other facets of their potential. We encourage you to enroll the students in the same as well as explore Karate for kids for the Kindergarteners to develop their interest in the same.

Another circular will follow intimating you of all our achievements in Robotics. Academics and Environment related events.

Warm regards,

Asha Alexander
Principal
