Dear Parent,

The process of appointing a Headmistress at KGS has taken a while because we wanted only the very best candidate to take up this position. After several interviews, we feel we have the right person in place.

I am happy to announce that we have appointed a new Headmistress, Pretty Khosla, who will be joining The Kindergarten Starters from 01 May, 2017. Pretty is presently the Head of Junior and Middle School at the G.D. Goenka World School. Gurgaon.

Pretty is a highly accomplished academician and holds an M.Phil in Biochemistry, an M.Sc in Botany where she secured the gold medal as well as a B.Ed. She has 21 years of teaching experience both in the CBSE and in IB Curriculum schools and comes with a wealth of expertise in teacher training.

Her experience in CBSE schools include DPS and Bal Bharti Public School Dwarka, New Delhi as well as G.D. Goenka Public School, Vasant Kunj, New Delhi among several others.

We are certain that KGS will benefit from fresh perspectives and the expertise that Pretty brings to the table. Please join me in welcoming Pretty Khosla to the Senior Leadership Team at The Kindergarten Starters.
