World Kids
Colouring Day
MAY 6th

Dear Parents,

Sub: World Kids Colouring Day

The Kindergarten Starters, Dubai will be hosting the World Kids' Colouring Day in conjunction with STAEDTLER. This event will be held on **07th May, 2017** for KG1 and KG2 and on **04th May, 2017** for Grades 1- 5 and other participating schools.

KG1 and KG2 children will be given a template to colour and 5 winning entries will be selected from each class based on the quality of colouring and use of strokes and colours.

On account of this Inter- school event being held on **04th May**, in which several schools are participating, students of **Kindergarten 1 and 2 will not have school on 04th May**. Please make a note of this.

Thank you.

Regards,
