

Dear Parent,

On the directives of the President His Highness Sheikh Khalifa Bin Zayed Al Nahyan, the year 2017 has been declared the year of giving in the UAE. In order to equip our children with high literacy skills we are giving them the opportunity to read better and to create a generation of book lovers and consolidate the UAE'S position as a global capital for culture and knowledge. In support of UAE'S ongoing campaign to instill the habit of reading in the people, particularly children, several reading programme have been planned for KG at KGS with the view to enhance the reading skills of every child.

As parents, you are most important in your children's journey into the wonderful world of reading. It is up to you to create the most supportive environment that turns your child towards reading.

With the help of parents, children can learn how to read. We suggest you make reading into a family activity, and spend time playing words games and reading story books to your children. This will not only help your child learn to read, but it will also help them build a rich vocabulary, teach them language patterns and help them fall in love with books and reading.

Read to your child consistently every day. Make this their "cool down" period before they go to sleep. This not only helps your child to develop an interest in books and reading. It also helps the parent bond with the child and develop a healthy relationship.

As a school initiative to foster the habit of reading, the Kindergarten team will share the reading strategies with you, through a well planned session. This programme will also help you to learn how the teacher teaches reading in class using the ORT Series. The schedule for the same is outlined below:

Date : Monday, 22nd May 2017
Time : 8:30 a.m. to 9:30 a.m. for KG1 and 10:00 a.m. to 11:00 a.m. for KG2
Venue : Auditorium

We request you to kindly send in your acknowledgement slip by Monday, 15th May 2017 to the respective class teachers to enable us have your seats booked for the programme.

We hope to see you soon.

Thank you.
 Regards,

Asha Alexander
Principal
