

**THE KINDERGARTEN STARTERS - DUBAI
CIRCULAR**

KGS/ C/ 812-17

28/05/2017

Dear Parents,

The Makers Market is a new initiative at the Kindergarten Starters where you are invited to participate in building something of your choice along with your child. Parents play a critical role in their child's learning. Showing children that education is important, building their confidence and connecting with their school helps to shape children's learning and wellbeing.

On 17 June between 9 a.m. and 12 noon, we will open our doors to parents to come in and build something along with their children. It could be anything from edible to repurposed products that will finally emerge and the creations could find their way to a Maker Mart which will sell these items to raise funds for charity.

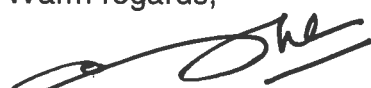

Studies demonstrate that there are clear, measurable benefits for children when their parents are actively engaged in their learning. Children are more likely to develop positive self-esteem, be motivated to learn, be positive about school and achieve good grades. Young children are more likely to maintain high aspirations and plan to go on to further education and build a career.

Maker Market gives you opportunities to tinker with robotics and circuits, to make artefacts of recycled material, to teach your child to weave, sew or knit, to decorate cupcakes or make a sandwich, dabble in writing poetry or painting a picture together. It is a wonderful way of spending a Saturday morning with your children and helping them learn something new.

If you are interested in being a part of this unique experience, please register your interest by sending 20 AED and returning this acknowledgement form to the teacher at the earliest to help us manage the event effectively.

We look forward to your participation so that you and your child can not just build a product but also a memory and an experience that will stay with them for life.

Thanking you.
Warm regards,

Asha Alexander
Principal

ACKNOWLEDGEMENT SLIP

I am sending AED 20/- with my child _____ of KG1/ Grade
_____ Section _____ towards 'Makers Market'.

Name of the Parent: _____ Mobile No: _____
