

**THE KINDERGARTEN STARTERS - DUBAI
CIRCULAR**

KGS/ C/ 828-17

06/09/2017

Dear Parents,

Welcome to a new term.

This term holds wonderful new opportunities for all of our children and parents. This month is the Heritage Month at school and we are turning all of UAE's Museums into our classrooms. We need volunteers to accompany students, challenge their thinking and be a part of their learning. If Museums and the culture of UAE excites you, then this is the perfect occasion to be a part of our activities.

As always, we bring to you, news about all of our parents who are deeply engaged with the learning of all our children at school.

Kindergarten

Parent of the week: Amrita Puri

Ms Amrita Puri, has been volunteering regularly in the classroom since the month of May. She has been a great help in the classroom and is a bright and enthusiastic personality.

She engages and aids students who need assistance with their class work by giving her undivided attention to those few who have a hard time completing tasks. She has played a significant role in the improvement seen in students' reading skills as she reads to them at the end of each day during story time. Students enjoy her presence in class.

She takes great interest in the well-being of the students of KG2Q.

Grade 1

Parent of the week: Mrs. Bhagya Lakshmi

Mrs. Bhagya Lakshmi, came forward to be a part of our class activities and showed great interest in teaching and learning in the class. She expressed that she was very happy with the approach we follow in Grade 1 at KGS. She wishes to volunteer even in the future to help us if we ever need a helping hand during any of our events. She handles students with a lot of patience and takes interest in the teaching and learning approaches we have implemented in Grade 1. She spent time with students and involved them in hands – on activities. We really appreciate the active engagement of Mrs. Bhagya Lakshmi.

Grade 3

Parent of the Week: Ms. Deepa Kanar

Mrs. Deepa is an enthusiastic parent from 3 Q who has been always been supportive in all activities conducted by the school. She has visited the classes many times as part of Open Door program and has given constructive feedback on the teaching learning process. Her valuable feedback has always helped us to provide better learning opportunities to our students.

She is an environment activist herself and has published an article in Khaleej Times on Sunday, 23rd April 2017, on importance of Earth Day activities conducted in the school, along with her daughter. We are extremely proud to be working in association with parents like Mrs. Kanar who is actively involved in the holistic development of the child.

Grade 4

Parent of the Week : Vanita Saxena

Mrs. Vanita Saxena has been a very supportive and a pro-active parent. She is ever willing to lend her whole hearted support for any event of the school. She has been 'The Editor' of the 'Parent Newsletter -KGS Times.' She has rendered her support in numerous ways by collaborating with teachers and students for school projects and helping her ward in the sale of tickets for the 'Carnival.' She has trained the students in dance and drama for the concert. She has come for the 'Open Doors' and has given her valuable feedback. Her creativity is evident in the models and the charts that her ward has prepared under her guidance.

Grade 5

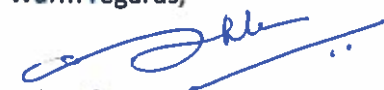

Parent of the Week: Rishad Ali

Mr. Rishad Ali is a very creative person who has shared his ideas with the students and helped in the preparation of classroom mobiles and posters related to the current topics taught in the class. He also donated a handmade bookshelf to keep the reading books. His behavior charts and mobiles for the period of Ramadan have been very beneficial to students in Grade 5.

With such an enthusiastic parent body, KGS is all set to soar! We thank each one who is actively supporting us and will feature all the others as we have been doing every week. The best learning happens when parents take an active role in the learning of their children. You are your child's first teacher and we value the expertise you bring to our school.

Warm regards,

Asha Alexander
Principal
