CIRCULAR

13/09/2017

Dear Parent,

At the outset, kindly accept our gratitude for your ongoing support.

The **Dubai Schools Inspection Bureau (DSIB)** will inspect our school from **Monday, 25th September 2017 to Thursday, 28th September 2017**. As part of this inspection, please find appended below the KHDA Parents Survey Questionnaire link. There is no username or password required to fill in this survey. Please click on the link below and select the correct school name from the list before answering the questions.

<https://www.khda.gov.ae/Parents>

We encourage all parents to take a few minutes to attempt this survey by 20th September. The KHDA survey is a valuable opportunity for all members of the community to give their views on education in Dubai and gain insight into aspects of the school prior to inspection.

Thanking you for your continued support and co-operation as always.

With regards,

Asha Alexander
Principal
