Dear Parent,

We have received official intimation from KHDA that the Islamic New Year (Hijri) begins on Thursday, 21<sup>st</sup> September and on account of this a holiday has been declared for all schools.

Our school inspections begin the following week and we look forward as always to your support and cooperation to take the school forward in its journey towards excellence. On a personal note, I am deeply grateful to each one of you, our wonderful children and dedicated staff for the work of your hands.

May this new year bring in the rewards that this school truly deserves.

Warm regards

**Asha Alexander  
Principal**
