## Welcome to GEMS Rewards

GEMS Rewards is an exclusive rewards programme, designed for our community of students, parents and staff.

With GEMS Rewards, GEMS families can explore cashback opportunities and enjoy incredible savings and discounts across various experiences, including dining, shopping, leisure, entertainment, beauty, wellness, travel and much more, especially during the long weekend where there are additional offers being added.

### HOW IT WORKS

- 1) Download the GEMS Rewards app from your preferred app store and follow the simple instructions.
- 2) Register with your Parent Log in ID and email ID registered with the School.
- 3) Start using the app and avail the offers.
