THE KINDERGARTEN STARTERS - DUBAI
CIRCULAR
GUINNESS WORLD RECORD- OFFICIAL ATTEMPT

20/02/2018

Dear Parents,

The students and staff of The Kindergarten Starters will make an official attempt to break the Guinness World Record on February 25 at the school premises between 9 and 10 a.m. Dr. Abdullah Al Karam, Chairman of the Board of Directors and Director General of KHDA will be among several dignitaries who will witness the event.

Gulf News, Khaleej Times and all the leading publications, TV and Radio Channels will broadcast the event.

I need you to understand why we are attempting this formation. All learning does not occur within the four walls of a classroom. Much of the significant skills we give our children are through real life experiences. Over the past week, our children have learned lessons in independence, responsibility and discipline as they collaborated with over 5000 of their peers to attempt to break a world record made by adults. I have this permission to dream larger than life dreams because of the excellent teachers, students and parents who never let us down and help us turn every dream into a reality.

The development of skills among children and adults was the vision of His Highness Sheikh Zayed and by creating his image we are paying tribute to this extraordinary world leader who changed the face of Dubai and put it on the world map because he dared to dream. As GEMS Education and as Kindergarten Starters we endorse that vision and we are helping to translate that into a reality by giving children opportunities to develop these skills.

Years from now your children will proudly recall this moment whether the record stands in our name or not. They will recall the sense of accomplishment and they will realize that even as young as they were they surpassed a world record set by adults. They will learn that nothing is impossible if we dare to dream.

I look forward to your whole hearted support in making this event a success. Please ensure all children attend school on Sunday in black T shirts and the dark blue track pants they wear for PE. Your teachers will send you email reminders later in the week.

Thank you parents for your outstanding support. As always, I am grateful to have this opportunity to lead such a fine school.

With warm regards,

Asha Alexander
Principal
