

Dear Parents,

While we are busy practicing for Guinness World record attempt to commemorate the 'Year of Zayed', we feel that it will be challenging for our students to undertake the final internal assessments right after that.

We are acting on a parental suggestion to postpone the exams by three days to 01 March. This will ensure that students have sufficient time to prepare and rest after the record attempt.

Kindly be informed that the updated Internal assessment cycle will commence from 1 March 2018 and end on 13 March 2018.

Kindly find below the updated PT 4/ Final Examination schedule for your kind perusal.
