THE KINDERGARTEN STARTERS - DUBAI
CIRCULAR

19/03/2018

Dear Parents,

I am extremely proud and delighted that The Kindergarten Starters is now a Microsoft Showcase School thanks to its committed and innovative staff and leaders. Our journey to being a digital school began 6 years ago and today we are one of the leading proponents of the digital delivery of curriculum in GEMS and have been recognized by Microsoft as a showcase school. All our teachers are Microsoft Certified and continuously learning to enable your children to have the very best in terms of a forward looking curriculum.

Microsoft Showcase Schools are a global community of schools engaged in digital transformation to improve teaching and learning. Showcase Schools create immersive and inclusive experiences that inspire lifelong learning, stimulating development of essential life skills so students are empowered to achieve more.

Showcase School leadership teams are part of a professional community that amplifies the use of technology to drive school-wide transformation and efficiencies. Microsoft Showcase Schools emphasize personalized learning for their students through the use of 1:1 learning devices.

Please join me in congratulating and celebrating our staff who are innovative, continuous learners and leaders of technology in GEMS and the region.

Thank you.

With warm regards,

Asha Alexander
Principal
