Dear Parent,

There will be a Parent Teacher Orientation for Grades 1 to 5 on 3<sup>rd</sup> April 2018. The aim of this interface is to give you an overview of the curriculum, teaching and learning approaches that will be followed during the course of the new academic session. This will be a good opportunity to meet the respective class teacher and language teachers and you are requested to attend the Orientation.

**The Schedule for the orientation will be shared by the class teacher on 2<sup>nd</sup> April, 2018.**

In order to enhance deep understanding of the mathematical concepts and based on parents' request to make Math practice books available for better understanding, the school is making Math In focus student workbooks (BOOK A and BOOK B) available at 50/- AED. These books can be purchased on the day of orientation and will be provided to you by the class teachers.

If there are any other issues that need to be addressed they maybe adressed with the Supervisors after the orientation.

Please note that the School Fees Counter will be open between 8:00 a.m. to 3:30 p.m. during school working days.

Thank you.  
Regards,

**Asha Alexander  
Principal**
