

THE KINDERGARTEN STARTERS - DUBAI

KGS/976-18

CIRCULAR  
Sub: Be a Kind Kid

16/05/2018

Dear Parents,

Ramadan Mubarak!

*"Kindness is a language which the deaf can hear and the blind can see."-Mark Twain*

We are beginning the holy month of Ramadan with a project #beakindkid. Students will be encouraged to engage in acts of kindness throughout the month. We would also like to encourage students to donate AED 5/- to give 'kindness in a box' to labourers during this holy month. This amount can be saved by children by doing household chores or doing without something so they understand the value of the donation.

Students are to be encouraged to be kind at home- towards siblings, parents, neighbours and pets (if they have one). In school, students will have opportunities to be kind to one another and create kindness murals as well as engage in acts of kindness through school projects.

We will be tweeting about their kind acts using the hashtag #beakindkid on twitter.

Thank you.

Warm regards,

Asha Alexander  
Principal
