

THE KINDERGARTEN STARTERS – DUBAI
CIRCULAR
Sub: National Astronomy & Science Olympiad

KGS/ C/ 982-18

06/06/2018

Dear Parents,

With a view to encourage students with a keen interest in Science and Astronomy, we would like to provide them an opportunity to participate in the 6th Inter National Astronomy & Science Olympiad (NASO), a flagship program which is organized in 13 Countries. Since first launched in 2012, NASO has grown in to the world's largest and most prestigious Astronomy & Science program. At KGS, we would like our students to participate in NASO-2018 Contest.

Students from Gr 2 to Gr 10 can participate (class 2-appearing/passed to class 10-appearing/passed).

Mode of competition

Level 1: school round

This round is to test their ground level and basic knowledge in astronomy & science, to be held in November 2018.

Level 2: national round

Here students will be tested on research and exploration method of testing, and students will be competing between different schools in particular state. It will be conducted in February 2nd week & admit cards will be sent to schools by January end. Sample papers and study materials will be provided at each level. For more information go to: <http://www.naso.in/>
