Dear Parents,

Heavy Monsoon Rains caused severe flooding in several districts of Kerala and have killed over 400 people in the state. The floods have paralyzed normal life of millions of people. Hundreds of houses were damaged and thousands of families are forced to take shelter in relief camps. The flood victims of Kerala are in desperate need of relief support to survive and get back to their normal life.

The Kindergarten Starters will begin the collection of relief items to support the Kerala Floods by sending donations in kind through the Red Crescent.

Please donate the following items to the school. The collection ends by 8th September, 2018.

- Steel Plates and Glasses
- Sleeping Mats
- Blankets
- Rice
- Coconut Oil
- Pulses
- Masala Powders
- Cooking utensils- new
- Toothpaste
- Toothbrushes
- Detergents
- Sanitary Gloves
- Canned food

Please do not send ANY used items. We will be unable to send any used goods through Red Crescent.

We look forward to a rapid response so we can send the items quickly to the camps.

Warm regards,

Asha Alexander
