

WEEKEND SPORTS CLUB CIRCULAR KG 1 & KG 2 BOYS AND GIRLS
(FRIDAY & SATURDAY ONLY)

Dear Parents,

Playing is the best way for children to learn and develop holistically and at the same time have fun with their peers. The priceless and most important benefit of getting involved in sports activities is developing a sound mind in a sound body. The Kindergarten Starters School offers the Weekend Sports Club, a unique initiative to build skills in Kindergarten Students. The Weekend Sports Club is a paid activity on a monthly basis (8 classes per month). It is flexible for students to join at the start of any month. Students can also change sports activities after completing 8 classes. Fees are inclusive of 5% VAT.

A fee of AED 315/- will be charged for Football or Cricket for 8 classes. You may choose one activity.

Kindly note the following

1. **Transport will not be provided.** Parents have to arrange their own transport to drop and pick-up the child.
2. All the students are expected to attend the Weekend Sports Club in proper Sports Uniform and Sports Shoes.
3. Parents are not allowed to stay inside the school campus during the classes.
4. No compensatory classes will be given if the child is unable to attend the class.
5. **No compensatory classes will be given in case the UAE Government or school authority announces holidays or suspension of classes for any reason.**
6. **In case of heavy rain/sand storm, if a class should be cancelled without prior information, there will be no compensatory classes offered.**

For any further queries you may contact **Ms. Reeta, Parent Coordinator & Community Outreach**, Mobile Number: 052 8349229 on weekdays, 9:00 am to 1:00 pm.

Thank you.
Warm regards,

Asha Alexander
Principal

Consent From

I am interested in enrolling my daughter /son..... of KG1/KG2 for sports club to be held on Friday & Saturday. Dropping and picking of my child will be entirely my responsibility.
