**THE KINDERGARTEN STARTERS - DUBAI
CIRCULAR**

07/10/2018

Dear Parent,

Health & safety of our students is a priority at KGS.

Today, one of our students in KG1 had a grievous injury owing to a fall, onto an open water bottle made of steel which was very sharp.

As a measure to ensure safety, you are requested to check the following:

- Avoid sending tiffin boxes and water bottles that have sharp edges.
- Check your child's bag regularly for unforeseen objects like scissors, knives, sharp toys etc.

This is an endeavor to provide utmost safety and security to your child.

Thank you for your continued support.

With regards,
