International Benchmark Tests (IBT) for Arabic Language 2018

Dear Parents,

All students from Grades 3, 4 and 5 will be participating in ***International Benchmark Tests (IBT) for Improving Learning, 2018 for the Arabic Language***. This test for the Arabic Language is scheduled to be held on Thursday, 15th November 2018.

To accommodate this, the internal exam/ PT2 of Social Studies has been postponed from Thursday 15th November to Sunday, 18th November for Grades 3 to 5.

IBT Arabic is an international standardized test that happens on the same day for all schools. All schools need to adhere to the scheduled dates. Practice for these tests is ongoing. Revision worksheets are being done in the class and are uploaded on My Learning. Please encourage your ward to practice the revision worksheets. **Please ensure that all students of Grades 3, 4 and 5 are present on 15th November to take the assessment.**

Wishing all the students the very best!

Regards,

Pretty Khosla
Vice Principal
