THE KINDERGARTEN STARTERS - DUBAI
CIRCULAR

24/04/2019

Dear Parents,

The Roads & Transport Authority (RTA) of Dubai, in coordination with relevant entities, is undertaking a study to assess the impacts of modifying the current school start and end times on road traffic congestion. The main objective of this study is to ease traffic congestion during peak times by time staggering school start/end times from other business start/end times.

We would appreciate your kind support by filling the survey link so that the RTA could incorporate their concerns and suggestions in the study.

Thank you.

With regards,

Asha Alexander
Principal
