

THE KINDERGARTEN STARTERS - DUBAI

KGS / C/ 143-19

CIRCULAR

12/05/2019

Dear Parents,

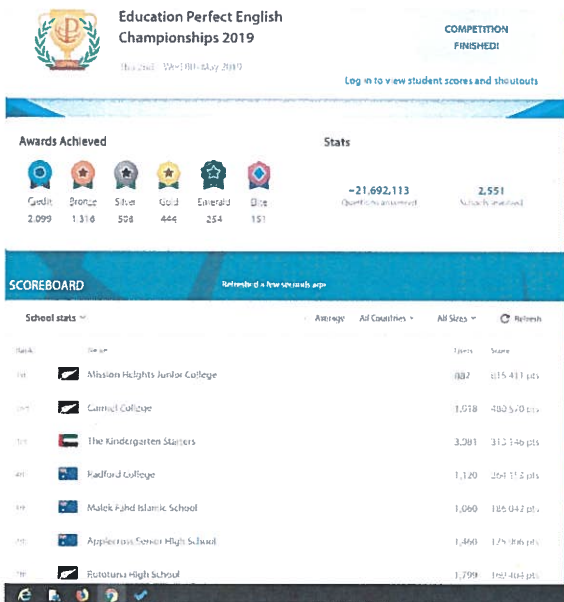

As we begin the holy month of Ramadan, we are pleased to let you know that the school has been recognized with the Dubai Philanthropic School Award from Dubai Cares for a fifth successive year. Kindness and generosity is something we foster in all our students and staff and we hope to conduct several organized opportunities for our entire school community to come together in teaching our children the importance of being kind and caring towards everyone- especially those who are less fortunate.

Our students continue to do well in the Education Perfect World Championship for English placing third among 2552 schools worldwide in the year 2019.

We are the top school from among 13 in the UAE and we are proud to achieve this with consistency in the past four years. This reaffirms our belief that our students are now proficient in English and can compete on a global platform with relative ease.

We began this month with our Gulf for Good Ramadan Backpack Challenge and donated 1000 backpacks on Monday 13th May to the organization. The donation enabled a clear understanding in all our students of the need to

donate to others like themselves and enable them to be able to go to school.

A whole series of Kindness Initiatives have been undertaken by our students including sending Laban and Dates to a hospital and to a worksite for Iftaar on every Thursday of the month.

Children visited old age homes and were encouraged to practice random acts of kindness at school and at home.

The school invested its Prefects, Green Teams and Student Councils to enable students to grow as leaders. The Green Teams have members of staff, parents, ancillary staff as well as students who are invested so that collectively we can work towards sustainability and green practices.

The PT1 assessments are about to commence and we would be assisting all students to close any gaps that there might be in their learning. Should your child need further support, please reach out to the class teacher.

Finally, we would like to inform you that our Vice Principal, Pretty Khosla has left us after 2 years of service and we are grateful for all that she did to help us on our journey towards excellence. The school will appoint a new Vice-Principal from 01 June, 2019. Should you have any concern that needs immediate attention, please do not hesitate to reach out to the concerned supervisors, Head of KG or myself.

We look forward to your continued support and cooperation.

Sincerely,

Thank you.

With warm regards,
