

Dear Parent,

In order to equip our children with high literacy skills we are giving them the opportunity to read better and to create a generation of book lovers and consolidate the UAE's position as a global capital for culture and knowledge. In support of UAE's ongoing campaign to instill the habit of reading in the people, particularly children, several reading programmes have been planned for KG with the view to enhance the reading skills of every child.

As parents, you are most important in your children's journey into the wonderful world of reading. It is up to you to create the most supportive environment that hooks your child to regular reading. We suggest you make reading a family activity and spend time playing word games and reading story books to your children. This will not only help your child learn to read, but will also help them build a rich vocabulary, teach them language patterns and help them fall in love with books and reading.

Read to your child consistently every day. Make this their "cool down" period before they go to sleep. This not only helps your child to develop an interest in books and reading, it also helps the parent bond with the child and develop a healthy relationship.

As a school initiative to foster the habit of reading, the Kindergarten team will share the reading strategies with you, through a well-planned session. This program will also help you to learn how the teacher teaches reading in class using the Raz Plus, Frogstreet and ORT series. The schedule for the same is outlined below:

Date : Sunday, 8th September 2019
Time : 8:15 a.m. to 9:15 a.m. for KG1
9:30 a.m. to 10:30 a.m. for KG2
10:45 a.m. to 11:45 a.m. for Grade 1
Venue : Auditorium

The email with the link to register has already been sent by the respective class teachers to enable you to book your seats for the session. We request you to send your confirmation by updating the link latest by Friday, 6th September 2019.

Together let us give the gift of reading to our children.

Thank you.
Regards,

**Asha Alexander
Principal**
