Dear Parents

I can confirm that there was an incident involving Bus 90 on the school premises this morning. All students are safe and have all been checked by medical staff and the school nurse and will return to class as normal. Parents of the children on the bus have been contacted directly.

The safety and well-being of our students and staff is a top priority. We can confirm that all students had their seat belts on at the time of the accident.

We are here to ensure that our children are safe and protected at all times. If you have any concerns please reach out to me.

Warm regards,
